- Q. Will you describe this man?

A. No, I didn't notice anything.

Q. Were you present the rest of the afternoon at your room?

A. Yes, sir, in the hallway and the room too.

A. Yes, sir.

Q. Mr. Reeves, will you tell in your own words the best you can exactly what you remember from the time just prior to seeing this strange male white at this apartment up to the time the police arrived at this location?

A. I seen him at the door of the landlady's room, and when he moved away from her door, I just seen his back and one side of his face. He went into the other little hallway and that's the last I seen of him. That's just all there is to this as I know it. He had dark hair, and dark clothes, he was bare headed.

Q. Did you observe this male white anymore after the shot was fired?

A. No, sir. I couldn't, I just seen one side of him, I couldn't identify him.

Q. In observing only his profile, what did you notice about him that would cause you to believe he was between the ages of 25 and 30?

A. I'm just judging from that side, he was clean shaven and he looked to be about 25 to 30, his complexion I would judge to be medium colored from what I seen.

Q. At the time you noticed this male white, did he seem nervous or fidgety?

A. No, I didn't notice anything nervous about him, he seemed very calm.
