

How Judge W. Preston Battle
Judge of the Criminal Court
Memphis Tennessee

I would respectfully request this court to treat this

letter as a legal notice of an intent to act for a reversal
of the 99 year sentence petition received in aforementioned court
I understand on one occasion of appeal, I was only 30 days
away from filing a writ of habeas corpus to have previous sentence set
aside. That is the appeal route to which I address this court.

I also would like to bring to the attention of the honorable
court, that Mr. Percy Foreman, the attorney who was
appointed to be my representative in this charge, still in
open court.

On that same day "Mr. Foreman" was receiving no funds to
help pay for trial and he did not think he should
be required to pay his own funds, he requested court to
appoint counsel to help defray costs. The court appointed
public defender to represent me and later on, Foreman
told Mr. Foreman and my own case he did not intend
to appear at hearing, a court for his appeal.

I think from Mr. Percy Foreman attempt to the press
that he had a contract from me and Mr. William K. Harvey
"open entry" for \$100,000 and that he was never
to receive \$150,000. I should like to see the above
but on Mr. Foreman told the court.

I, JAMES A. BLACKWELL, HEREBY CERTIFY THAT THE DATE WHICH APPEARS AT THE TOP OF THIS LETTER, ON THE FIRST PAGE, WHICH HAS BEEN OBLITERATED BY PUNCHING THE HOLE FOR INSERTION OF THIS LETTER IN THE JACKET, IS 3-26-69.
