Re: Condition of Weather
April 4, 1968

Gentlemen:

Would you please send me a report on the weather condition for April 4, 1968. I am particularly interested in possibly a cloudy condition, rain, visibility, throughout the day of April 4, 1968, and also the night up until the morning of April 5, 1968. *Are in north miss near Memphis.*

If there is any charge for this, I will be glad to remit upon receiving your statement.

Yours very truly,
