March 20, 1968

Dear Sis;

I can prove that there was a conspiracy in the Murder of Martin Luther King Jr. I was with James Earl Ray under circumstances before he killed King, that will prove a conspiracy. I turned him into the Cincinnati Ohio FBI Office either the first or second Tuesday of May 1968. I am now in the Veterans Hospital ~~at~~ at Chillicothe, Ohio.

Ray won't remember me by name, but he will know me immediately when he sees me and I tell him where we spent a whole day together. So, if you are interested contact me at The Veterans Hospital Chillicothe, Ohio.

Yours Truly,  
Robert C. Cole

Ray, was driving a semi truck in Winchester Virginia, when we got together.
