The Greatest Police Fraud Ever

THE JAMES EARL RAY HOAX

by Joachim Joesten

(Author of eight published trade books exposing the Kennedy Murder Fraud)

After the Kennedy Murder Fraud - The Dr. King Murder Fraud!

Once again, the American public and world opinion are being fooled, deliberately and grossly, about the true background of a sensational murder and the real identity of the killer. And, again, the deception is practiced by the investigating authorities themselves.

In this new aggressive exposé of blatant police malfeasance, Joachim Joesten, the first writer to denounce the fraudulent official version of President Kennedy's assassination, explodes the FBI-sponsored myth that Dr. Martin Luther King was killed by James Earl Ray. The work is published in three successive volumes of which the first is now available. Vol. I consists of two parts with these chapter headings:

Vol. I - Part I

Chapter I - The Decoy; Ch. II - The Planted Evidence; III - How to Groom a Star Witness; IV - The Grassy Knoll of Memphis; V - Wild Mustangs; VI - The Broken Record; VII - Why Did the FBI Get Into the Act? VIII - Wanted - Not Wanted - Wanted: Eric Starvo Galt; IX Where Galt Becomes Ray.

Vol. I - Part II

Chapter X - How Ray Was "Sprung" from Jail; XI - Where Did He Get the Money? - XII - Cherchez la Femme; XIII - Focus on New Orleans; XIV - Travesty in Toronto; XV - Caught Coming and Going. Conclusion.

"The James Earl Ray Hoax," Volume I (both parts) runs to about 45,000 words. It is mimeographed, not printed, and available only in a comparatively small edition. The price of this volume is US \$ 30.00 for the two parts. Contents, length and prices of the two subsequent volumes are to be announced later.
