

## WEST UNION CEMETERY BURIALS 1922-1975

The Tennessee Genealogical Society received a listing of the West Union Cemetery Log Book from Marie Thompson (Hodges, nee Rast). The persons whose names and dates are listed below do not appear in the Elam, Erickson and Hunt book, V.II p. 191, therefore must not have had tombstones unless they were buried after the cemetery was visited and gravestones were copied. Remember, these are burial dates not death dates. The Congregation moved to the new church in August 1956.
