Subject: Dr. King - "Hard on Ray"

I am writing you a personal letter, in which  
confidence, I trust you will play ball with the  
writer. What I am divulging in detail, may in time  
prove right or wrong, but to me it divulges some  
interesting facts. On Wednesday April 17-68 at 6 PM  
at a friends house (where he took a room at 10. per  
week) I met an "Irish Chap". Over a case of Beer  
we got talking.

He said he was selling Advertising in Montreal  
had office in East End of Sherbrooke St. (A lady claimed  
a man rented her apartment - suddenly left. (R.H.M.P.  
have this information for follow up, as it came out in  
papers. I did not get any firm name for at that  
time I suspected nothing.

On April 26 68 "Life Magazine" printed in detail a  
report as released to Press by F.B.I. It had several  
drawings. I read all with interest, but May 8. 68  
Montreal Gazette comes out with a snap picture as  
released by F.B.I. "See Attached"

Now here's what made me curious. This chap said  
in conversation, He had once been in jail in  
Michigan, where I did not ask or for what.
