For Attorneys Defending The man
accused of killing Martin Luther King
May I suggest The tape of Martin
King's experience on meet the Press
he used in defence of the
accused. I personally heard King
state to meet the Press that
he would ask all Negro Soldiers
to lay down their arms in
Viet Nam, and I would hope
pictures published by Saturday
Evening Post he showed. When
and when Martin King attended
Communist meetings. I believe
it can be established beyond
a reasonable doubt Martin King
was a Communist.
