

- Visiting with  
Sheriff Pritchess  
to observe the  
techniques being  
used in ~~the~~ the  
incarceration and  
trial of Sirhan  
Sirhan. ~~Plus~~

- This is of inter-  
est to us because  
of the world-wide  
attention brought  
to our two cities

- For Angeles and  
Urbana - by the  
murder of Gen.

(2)  
Kennedy and Dr.  
King this year.  
— we are very  
appreciative of  
the splendid  
cooperation Sheriff  
Sutchen and  
his staff have  
shown us on this  
visit and before.

— We have attempted  
to offer them the  
same assistance  
and will continue  
to do so.

(3)

— We in low  
enforcement well  
know that now,  
more than ever  
before, we must  
assist one  
another in the  
face of adversity.

— It is heartening  
to me, as a  
citizen, to see  
the lengths to  
which officials  
of Los Angeles  
and Shelby  
County are

(4)

determined to go  
 to insure a  
 fair and impartial  
 trial for the  
 accused and to  
 assure his safety  
 — These two  
 cases are setting  
 many precedents  
 by the ~~serious~~  
 nature of the  
 crime charged  
 to the ~~very~~  
~~circumstances~~ <sup>unusual</sup>  
 — I hope we

(5)

have no other  
such crime  
in our Nation that  
will demand the  
use of the President's  
information ~~and~~  
we are gathering.  
- But should  
they - God forbid  
occur, we will  
have done our  
best.

Phones inside security area  
handle for them —  
without leaving security  
area

Backup of cont to cont room

McGowan - Hofesse

TV in cont room

Spec report

Microphone on desk  
or table.

Each jurist will have  
a private room because  
of long tenure (5<sup>00</sup>) per day

They expected to last  
2 months after jury  
selected

Make sure retiring of  
accused jurist is done  
with care not to disrupt  
movement of case

How about special  
arrangement for jury  
with family etc

Daily Court in of transcript  
or judge's chambers  
defense - Pros.  
Proceeding will be recorded
